

Here's what S.F. teachers  
are saying about our energy  
education program:

"You've provided me with  
the confidence and inspira-  
tion to start ..."

"This is one of the best in-  
services I have attended ."

"I consider myself pretty  
knowledgeable on this sub-  
ject and I learned so much!"

"I 'loved' the presenters.  
They know the subject and  
how to teach to teachers ...  
not always an easy task!"

## *PEAK Teacher Orientation & Training*

**Tel: (415) 973-2498**

## *Introducing a new, powerful energy education program*

Get students excited about circuits and motors!

Learn how to make science more engaging!

Teach students the science of energy and how to become environmentally conscious energy users!

Empower students to connect with their academic learning in a way that benefits your entire community!

## **PEAK Student Energy Actions offers:**

A comprehensive **state standards based** service learning curriculum that teaches the **science of energy** and instills an ethic of **smart energy management**.

Professional development for 4th through 7th grade educators, a **\$100** stipend, and LUNCH!

An easy-to-follow guidebook with hands-on lab activities and take home exercises.

Toolkit containing over **\$350** of supplies and everything you need to teach the science labs!

Fun, interactive software and easy-to-use on-line resources.

On-going support, contests, and visits from our energy saving superhero, Bulbman!

Grants for facility audits and energy improvements at your school.

And, fundraising opportunities!

**BEST of ALL, the program is  
FREE to schools in the  
San Francisco Bay Area!**

PEAK is a provided at no-cost to you through our partnership with Pacific Gas & Electric.

## **Sign up now!**

To register, please email your contact information and preferred training date to Nikole at [nreaksecker@energycoalition.org](mailto:nreaksecker@energycoalition.org) or fax this form to (415) 973-2332.

Yes! I want to attend a PEAK Teacher Orientation & Training. Please enroll me for the following day-long course:

- ☐ June 20th
- ☐ June 26th
- ☐ July 12th
- ☐ July 24th
- ☐ August 6th
- ☐ August 20th
- ☐ August 23rd

I would like additional information on:

- ☐ Scheduling a Training for My School
- ☐ Fundraising Opportunities
- ☐ Saving Energy @ School Grants
